RE: COVID-19 Meeting Procedures

In response to increasing risks of exposure to the coronavirus (COVID-19), all the Committee and Commission meetings will be conducted and participated via Zoom. Video conferencing via Zoom will allow the Commission/Committees and County to adhere to social distancing requirements of the Brown Act and provide a way for the public to provide public comment live during the meeting.

Due to the modified meeting format and tele-conferencing meeting procedures, the Chair may choose to allow public comment on the project in an alternative fashion, rather than calling for those in favor, those in opposition, those neutral, and then any rebuttals or surrebuttals. The Chair may take public comment on the project in any order in lieu of the calling for those in favor, opposition, neutral, rebuttals, and then surrebuttals.

The Committee and Commission may elect to allow the applicant or applicant representative a specific time to speak on the project prior to taking public comments on the item. This opportunity could have a specific time length allotted, such as five or ten minutes.

As a reminder, those who wish to provide information during the public comment are not required to provide their name. County staff will notify the Chair of any individuals who wish to provide testimony and will limit the testimony to the time limit identified by the Chair.

If an item on the agenda is not identified as a “public hearing”, public comment is still required and can be conducted in a similar format to the modified procedures above.

All votes require a roll call with each Committee and Commission member to be named by County Staff prior to stating their vote. The Chair shall also identify by name the commissioner who initiated the motion and the name of the commissioner who seconds the motion. After a second is named, the Chair must allow County staff to complete a roll call vote.

It is possible that a delay may occur from the time the Chair calls for public comment on a project and when County staff can connect them into the zoom meeting. It is recommended that the Chair pause for 60-90 seconds after calling for public comment to allow for any connections to occur. If there are no individuals in the queue for commenting on a specific item, after 90 seconds has elapsed County staff will notify the Chair that there is no further public comment.

Staff may need to respond to emails or phone calls from members of the public during the meeting to provide assistance to the public if they encounter problems using the Zoom platform. Staff requests that the Chair allow additional time as needed to ensure that members of the public can engage in the meeting.

Zoom Instructions

Zoom links can be found in the agenda for each meeting. The public can view the meeting from their smartphone, on their computer browser, or listen on their telephone. Zoom does not require an account to attend the meeting, but if the public wishes to create one, their basic accounts are free.

It is possible that a delay may occur from the time the Chair calls for public comment on a project and when County staff can connect them into the Zoom meeting. The Chair will pause for 60 seconds after calling for public comment to allow for any connections to occur. If there are no individuals in the queue for commenting on a specific item, after 60 seconds has elapsed county staff will notify the Chair that there is no public comment.

Members of the public can also choose to watch the meeting and do not have to comment during the meeting. If a member of the public does not want to provide public comment live, they can provide public comment prior to the meeting via email to the Community Development Department Director at gyaley@co.tuolumne.ca.us.
